Programme changes for the biennium 2018–2019

Note by the secretariat

Summary

The present document contains the proposed changes to the programme of work for the biennium 2018–2019 (A/72/6 (Sect. 19)) for which a legislative decision of the Economic and Social Commission for Asia and the Pacific is sought.

The proposed changes are designed mainly to address new mandates adopted after the Commission’s endorsement of the programme of work for 2018–2019.

The Commission may note that the proposed changes will contribute to the achievement of the expected accomplishments and have no additional regular programme budget implications.

The Commission may wish to consider the proposed changes with a view to endorsing them for incorporation in the programme of work for 2018–2019.
Proposed programme changes for the biennium 2018–2019

Output in the programme of work for the biennium 2018–2019  Proposed change  Justification

Subprogramme 3. Transport

Expected accomplishments of the Secretariat:

(a) Enhanced national evidence-based transport policies and programmes that are sustainable and gender-responsive

Assistance to intergovernmental bodies and/or United Nations representatives/rapporteurs under their established mandates:

ESCAP Sustainable Business Network – task force on trade and transport facilitation (2)  Modify to: ESCAP Sustainable Business Network – task force on trade and transport facilitation (1)  Based on the recommendation of the Sustainable Business Network, the Committee on Trade and Investment, at its sixth session, was informed of the closure of the task force

Subprogramme 4. Environment and development

Expected accomplishments of the Secretariat:

(a) Enhanced evidence-based policies, strategies and frameworks that integrate the three dimensions of sustainable development, including gender perspectives, at the national level and in both urban and rural areas

Technical materials:

Background papers and modules on technological innovations on sustainable agriculture for rural development (2)  Delete  The Commission, at its seventy-fourth session, endorsed the report of the Governing Council of the Centre for Alleviation of Poverty through Sustainable Agriculture on its fourteenth session¹ and subsequently adopted resolution 74/5² to transform the Centre from a subsidiary body of the Commission to a new intergovernmental organization outside the United Nations system, effective by 30 June 2018. The expected achievements of the subprogramme in the relevant subject area may be downscaled.

¹ ESCAP/74/13.
² Commission resolution 74/5.

### Subprogramme 7. Statistics

**Expected accomplishments of the Secretariat:**
(a) Increased institutional capacity of national statistical systems to produce, disseminate and communicate statistical products and services, in particular in relation to the goals, targets and indicators of the 2030 Agenda for Sustainable Development

**Substantive servicing of inter-agency meetings:**

<table>
<thead>
<tr>
<th>Partners for Statistics Development in Asia and the Pacific (2018, 2019)</th>
<th>Modify to:</th>
<th>The Committee on Statistics, at its sixth session, decided to abolish the Partners for Statistics Development in Asia and the Pacific in its current form and transfer its responsibilities and functions to the Thematic Working Group on Statistics of the Asia-Pacific Regional Coordination Mechanism, with an aim to extend the impact of the Partners to deliver effective coordination of statistical development and avoid duplication with other inter-agency mechanisms. The deletion of this output will not affect the overall implementation of the programme of work by the subprogramme and achievement of the expected accomplishment.</th>
