

KazAID

OFFICIAL DEVELOPMENT

ASSISTANCE

2023

KAZAID

KAZAID WAS FOUNDED IN 2021.

We strive to always provide the best assistance to our partners.

The Agency (KazAID) is an ODA operator established by the Government of Kazakhstan. It is the legal entity responsible for participating in the implementation of the country's ODA policy, promoting development and sustainable growth in the partner countries.

The Importance and Role of Official Development Assistance and in Implementing VPoA.

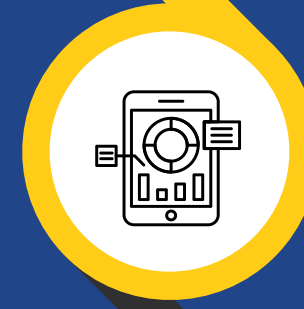

Mobilizing Financial Resources

Regional Integration and Security

Regional Cooperation and Partnerships

Regional development

Solving regional problems

Challenges in the Implementation of VPoA in North and Central Asia.

Implementing VPoA in North and Central Asia faces challenges related to regional diversity and geopolitical complexities. The vast size of the region and the presence of diverse cultural, linguistic, and socio-economic contexts make it difficult to develop and implement a unified vision and action plan.
