THE NATIONAL INVESTMENT AUTHORITY UNDER THE PRESIDENT OF THE KYRGYZ REPUBLIC

The National Investments Authority under the President of the Kyrgyz Republic is a State Authority that promotes foreign investments and helps international companies find business opportunities in the Kyrgyz Republic, reporting directly to the President of the Kyrgyz Republic.

The main objectives of the National Agency are to attract and stimulate investments in the national economy, providing investment policy, assist existing and potential exporters in promoting their products to foreign markets, and develop public-private partnership mechanisms.

Our mission is to attract and retain foreign direct investment of strategic importance for the economic development of the Kyrgyz Republic. In all our services we apply the following core values: passion, honesty, professionalism, customer service, friendliness and responsiveness. We offer free consultations and services to support companies from the planning stage to the launch and expansion of the business.
