The Framework Agreement

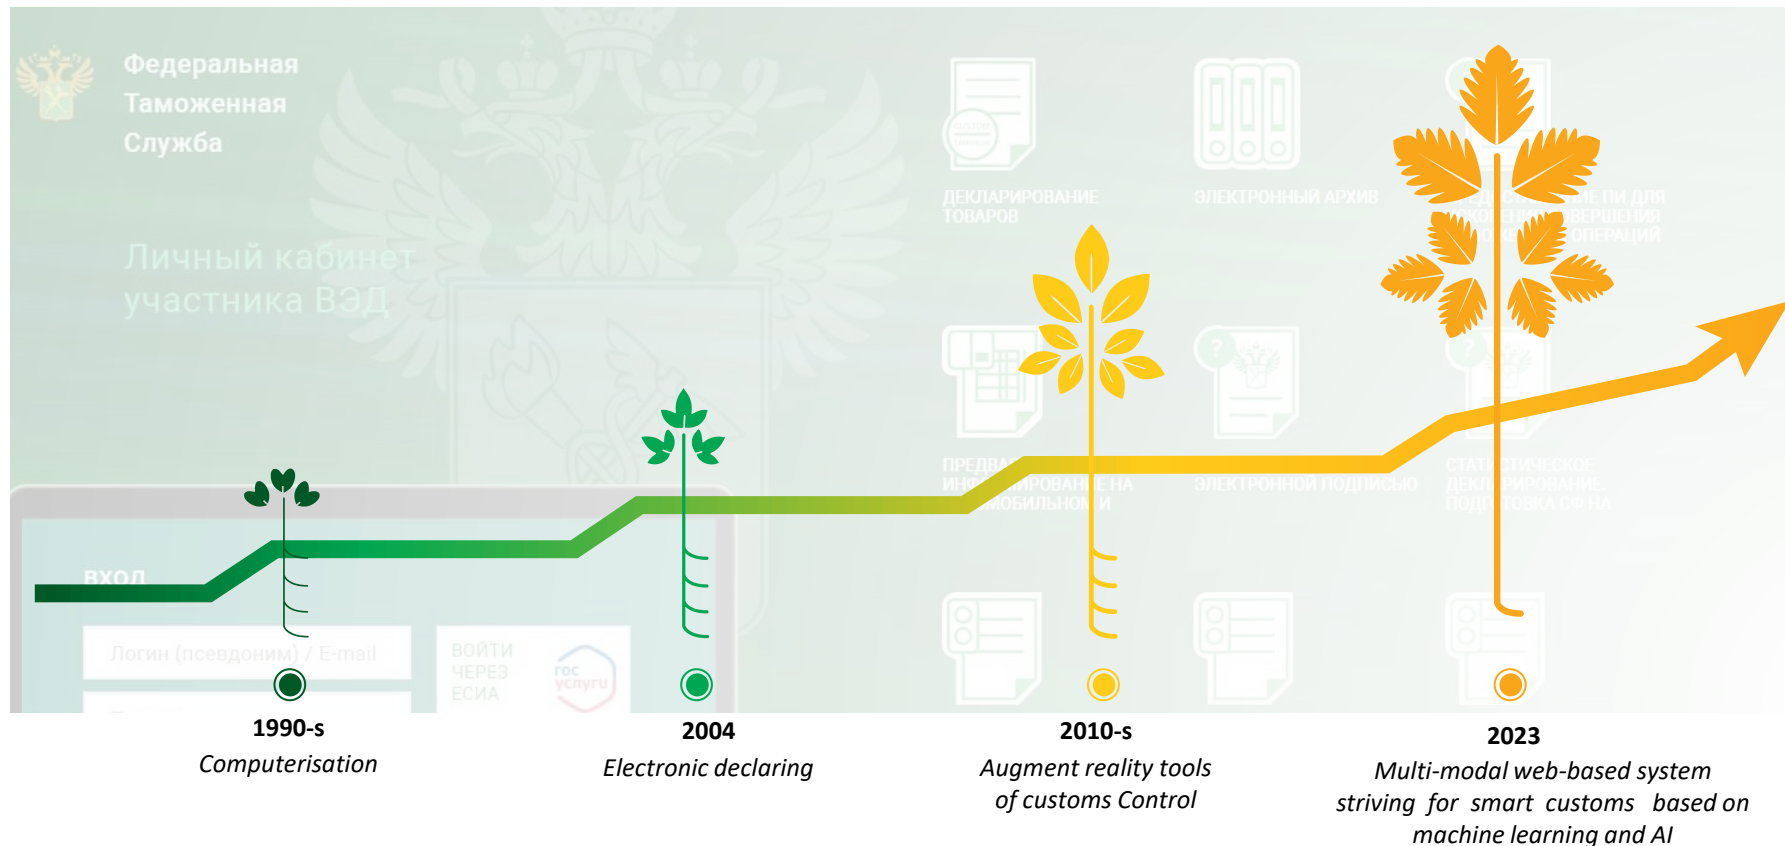

on Facilitation
of Cross-border
Paperless Trade
in Asia And The Pacific

The background is a solid dark green color. Overlaid on this is a complex, repeating pattern of thin, white, parallel lines. These lines are arranged in a way that creates a sense of three-dimensional perspective, resembling a series of slanted planes or a grid that has been distorted. The lines intersect to form a series of small, irregular polygons across the entire surface.

CUTTING EDGE TECHNOLOGIES FLOW

STRATEGY & DEVELOPMENT

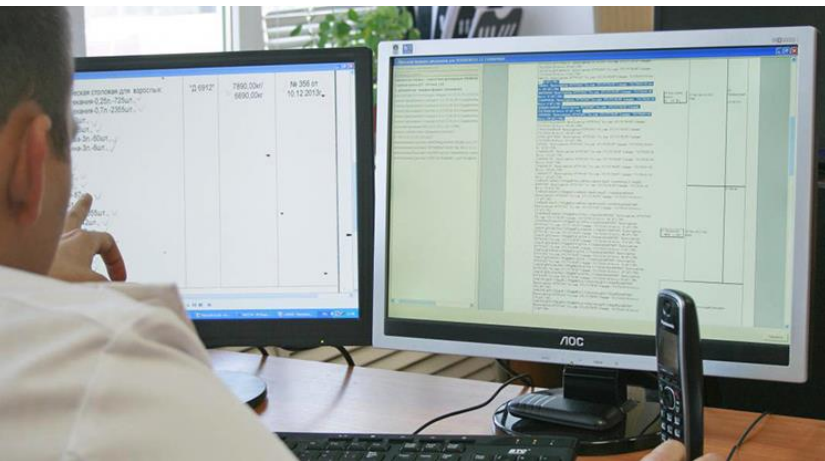

Automation and Digitalization of the Customs Service

CHECK-POINTS SEPARATION

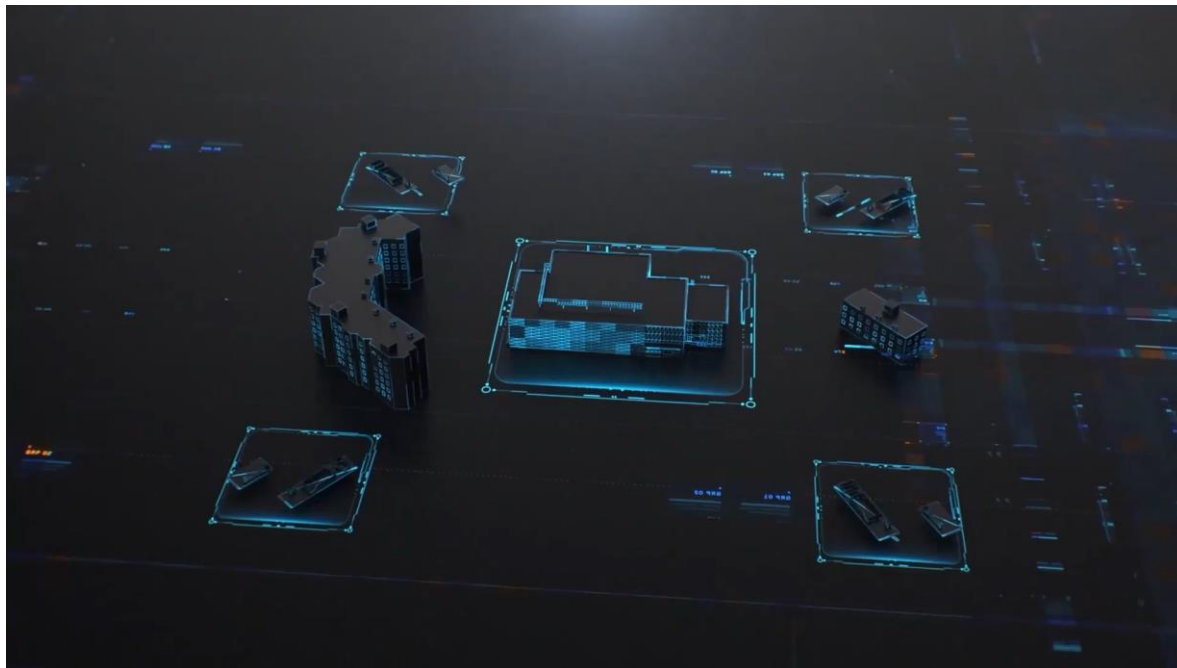

Declaration centers

Checkpoints of physical control

SMART CHECKPOINTS

seconds

of checking
the consignment
for risks

The background is a solid dark green color. Overlaid on this is a complex, repeating pattern of thin, white, parallel lines. These lines are arranged in a way that creates a three-dimensional, isometric effect, resembling a series of interconnected planes or a stylized architectural structure. The lines are oriented diagonally and intersect to form a grid of small, irregular polygons.
