

**Agenda Item 3 (b) - 24 Feb 2021**

**Japan**

3(b)

Japan, as a Global Champion in the area of access to energy, is going to proactively participate in the “High Level Dialogue on Energy” scheduled to be held in September this year. Seeing the urgent need of international cooperation in improving energy access and achieving SDG7, Japan will make its utmost efforts to contribute to it through our engagement in international fora such as the “High Level Dialogue on Energy”.
