

UNHCR ENGAGEMENT WITH THE SUSTAINABLE DEVELOPMENT GOALS (SDGs)

UNHCR's two strategic aims for engagement with the SDGs

- Promote an enabling legal framework and encourage displaced and stateless persons participation in development;
- Build approaches to resilience and solutions to better manage the effects of displacement.

Inclusion

- Mobilize the engagement and contributions of a broader range of partners and stakeholders addressing the consequences of forced displacement and statelessness

Partnerships

Agenda 2030 Commitment to Leaving No One Behind (LNOB)

LNOB focuses on inclusion of marginalized populations in development efforts.

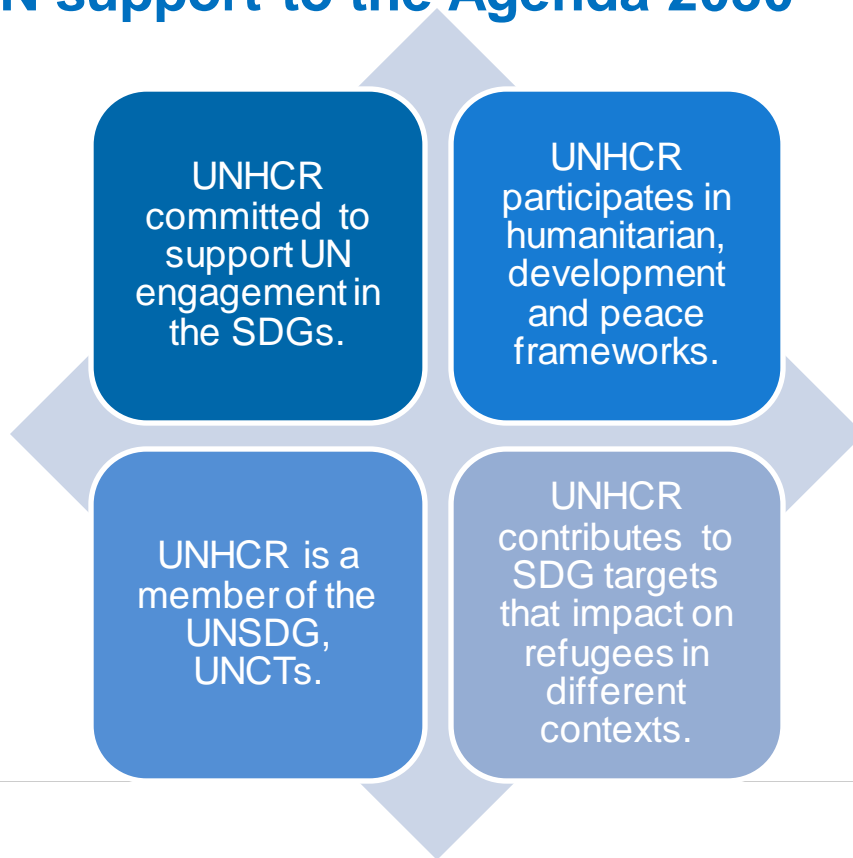

Applicable to all operational contexts and all populations (stateless, refugees, IDPs etc.)

LNOB confronts poverty, inequality and discrimination and reduces vulnerabilities.

Entry point for UNHCR:
LNOB facilitates UNHCR's engagement through its focus on the conditions for displaced and stateless
