IMPLEMENTATION PROGRESS OF SDGS

Second Voluntary National Report

Batjargal Khandjav

State Secretary, Ministry of Economy and Development
CONTENTS

1. ACTIONS BEING UNDERTAKEN TO IMPLEMENT SUSTAINABLE DEVELOPMENT GOALS

2. WAY FORWARD ACTIONS AND EXPECTED RESULTS
COVID-19 SLOWED THE SDG IMPLEMENTATION PROGRESS

ACHIEVEMENTS

- "HIGH" human development category by the Human Development Index
- "MEDIUM-LOW" income country by Gross national income per capita
- Poverty rate is declined during COVID-19
- Health indicators are improving, but slowly
- 100% of access to early childhood education
- Aligning university programs with government policies
- Reform towards "Quality Education"

CHALLENGES

- Economic growth is highly dependent on commodity prices.
- As of 2021, the consumption of the poorest is 6.6 times lower than the consumption of the richest.
- Labor participation rate declined gradually during the last 10 years.

POLICY PLANNING INSTITUTIONAL FRAMEWORK
FORMED AT PARLIAMENTARY, GOVERNMENT AND SECTORAL LEVEL

Sub-Committee on SDGs of the Parliament

National Committee for Sustainable Development headed by the Prime Minister

Ministry of Economy and Development to ensure cross-sectoral coordination and localization of the SDGs through integrated development policy and planning

National Statistics Office to develop methodologies for the national SDG targets and indicators and coordinate data collection
INFF PROVIDES A FRAMEWORK FOR FINANCING NATIONAL SUSTAINABLE DEVELOPMENT PRIORITIES AND THE SDG AT THE COUNTRY LEVEL

INTEGRATED NATIONAL FINANCING STRATEGY OBJECTIVES

1. To increase funding source for Sustainable development
2. To direct the funding for Sustainable development
3. To enhance the economic, social and environmental investment impact

INFS SCOPE

- State budget funding
- Private sector finance and investment
- Macroeconomic environment
MONITORING AND EVALUATION IS FUNDAMENTAL FOR RESULT-ORIENTED POLICY PLANNING

PHASES DEVELOPING NATIONAL SDG, TARGETS AND INDICATORS:

1. Define SDG, targets and indicators in accordance with country features.
2. Identify SDG baseline and targets annually until 2025, by 5 years interval until 2025 and 2030.
3. Evaluate the feasibility of calculating the indicators.
4. Assess the need for developing indicator methodologies.

MONGOLIAN NATIONAL SUSTAINABLE DEVELOPMENT GOALS, TARGETS AND INDICATORS

16 GOALS
154 TARGETS
224 INDICATORS

Draft discussed at the National Committee for Sustainable Development
Present at the Government Cabinet meeting
MONGOLIA IS GOING TO PRESENT ITS SECOND VOLUNTARY NATIONAL REPORT IN 2023

HIGH LEVEL POLITICAL FORUM THEME OF THE 2023

Accelerating the recovery from the coronavirus disease and the full implementation of the 2030 Agenda for Sustainable Development at all levels

Voluntary National Report representing countries at HLPF-2023
IMPLEMENTING DEVELOPMENT STRATEGIES FOR ECONOMIC GROWTH IS CRUCIAL, HOWEVER ENSURING THE CONDITIONS FOR REAPING BENEFITS OF GROWTH FOR EVERYONE IS ESSENTIAL.

WAY FORWARD ACTIONS

- Strengthen the existing monitoring and evaluations framework
- Ensure the implementation of the SDG targets with the collaboration of the private sector, associations, civil society, academia, media and public
- Raise public awareness about sustainable development and streamline SDGs into local development policies

LONG TERM EXPECTED RESULTS

- Strive for equitable, inclusive and sustainable development through the implementation of the first phase of “Vision 2050”
- Reduce the negative impact of Covid-19 pandemic and increase resilience to crisis
- Multi-stakeholder participation in the implementation of the Sustainable Development Goals will be ensured and social, economic and environmental policy coherence will be maintained
THANK YOU FOR YOUR ATTENTION
