CSO perspectives on SDG 17 implementation in Mongolia
with focus on SDG 17.14, SDG 17.16, and SDG 17.17 targets

- SDG 17 aims to strengthen the means of implementation and revitalize global partnership for sustainable development including policy coherence, multi-stakeholders mechanism for sustainable development and partnership.
- Policy coherence for sustainable development. UNEP developed indicators to measure the enhancement of policy coherence for sustainable development.
- Multi-stakeholder mechanism for policy coherence and multi-stakeholder mechanism for reporting on progress in achieving SDGs.
- A few words about functioning of multi-stakeholder mechanism for sustainable development in countries of our sub-region.
- Partnership for sustainable mechanism should work at national, sub-national and local levels as well.
- Civil society participation in multi-stakeholder mechanisms for policy coherence and partnerships. Their need in supports for capacity development, necessary skills and resources to contribute in achieving SDGs.
