Agenda Item 4

"Thank you Mr Chairman.

A Distinguished delegate mentioned future implementation of the roadmap. With regard to paragraphs 17-20 of the CE/2021/5, We should ensure that all Member States, the private sector, and civil society are involved in the development of any concrete strategy/implementation and that the process should be transparent. The Distinguished delegate from Tonga wanted to ensure that the roadmap going forward best reflected the context of Pacific Island States is important for ensuring that Member States have ability to contribute throughout the implementation of these strategies that this roadmap as we go forward.

I also note the Distinguished delegate from Japan's recommendation that the work of the roadmap should utilize existing funds.

Thank you. "
