

In 2021 TNSO will conduct the Business and Industrial census

So TNSO set the 2019 action plan to cooperate with 3 gov. agencies  
^  
statistical

1 Office of small and medium enterprises promotion

2 Department of Industrial works

and Department of Business Development

to establish National Establishment frame from  
register data and survey data

This action plan will help TNSO

meets the aim to get effective data use.
