

4b. Network for the Coordination of Statistical Training in Asia and the Pacific

Thank to Hde/Mr chair
Lao delegate would like to share to the Sixth Stzt. Commission as follow.

① LSB had set up a new master plan on Human Development Resource. We ~~my side~~ have main focussing like: Methods for data collection; Data processing and Data Dissemination.

② Abo. mentioned we are planning many training course with assistance from International Develop partners in different levels like: with line ministries, provinces, District and as well as village level

③ therefore, we would like ask the committee to support and organize for members of the A & D region. in order to implement SDG and success 2030 agenda

Thank for attention
