Virtual Event 15-18 June 2020
2020 Asia-Pacific Statistics Week
 Leaving no one and nowhere behind

United Nations ESCAP Statistics Division is hosting the **2020 Asia-Pacific Statistics Week from 15-18 June**.

All are welcome - economic statisticians, demographers, social statisticians, big data users, managers, policy makers - anyone with an interest in statistics and their use.

Building on the highly successful [Asia-Pacific Economic Statistics \(APES\) Week](#), this is the **first event of its kind** and an opportunity for all to participate.

[Download the Programme](#)

85 papers
 by **163 authors**

Representing
18 countries
 and **8 international organizations**

Virtual Meeting Technical Guidance

Prior to the meeting

The Asia-Pacific Statistics Week will be conducted virtually on Microsoft Teams, here are some essential tips for joining the event

- To enjoy the full meeting functionality, you may wish to install the [Microsoft Team](#).
- It is recommended to use a headset for better voice over microphone and hearing the voices of others while not disturbing those outside the meeting.
- Please remove distractions from the area where meeting attendance will be, if possible.
- Log into the session 10 minutes early before the start time to test your connection.
- Please be conscious of your environment if you are sharing your video. Are you in shadow or bright sunlight? Is your background very distracting?

Download Microsoft Teams

Connect and collaborate with anyone from anywhere on Teams.

Download for desktop

Download for mobile

#apstatsweek2020

Virtual Event 15-18 June 2020

2020 Asia-Pacific Statistics Week

Leaving no one and nowhere behind

Joining the meeting

- Go to the meeting invite and select Join Microsoft Teams Meeting.
- That will open a web page, where you will see choices: **Download the Windows app** and **Continue on this browser**. If you join on the web, you can use either Microsoft Edge or Google Chrome. Your browser may ask if it is okay for Teams to use your mic and camera. Be sure to allow it so you'll be seen and heard in your meeting. If you already have the app installed, you may choose **Open your Teams app**.
- Enter your name (if you join on the web) and choose your audio and video settings. If the meeting room (or another device that's connected to the meeting) is nearby, choose **Audio off** to avoid disrupting. Select Phone audio if you want to listen to the meeting on your mobile phone.
- When you are ready, hit Join now.
- This will bring you into the meeting lobby. We will then admit you to the meeting.

Virtual Event 15-18 June 2020

2020 Asia-Pacific Statistics Week

Leaving no one and nowhere behind

During the meeting

- Please **keep your microphone muted** at all times unless you have been called upon by the chair to make an intervention.
- Teams icons and their meanings

- If you wish to make a statement/intervention during the meeting, click “Raise your hand” feature and wait until the Chair calls upon you.
- If you have questions or would like to make comments, please send your message in the text in the “Meeting Chat”.
- The above Teams icons are the commonly used functions during meetings. If you wish to explore other options including changing your background prior to the meeting, click “more actions”
