

Statement
National Statistics
Office of Mongolia

Economic and Social Commission for Asia and the Pacific

Committee on Statistics

Seventh session

Bangkok, 26–28 August 2020

Item 2 (b) of the provisional agenda*

Soliciting whole-of-government support for official statistics in the context of the 2030 Agenda for Sustainable

Development: monitoring progress in line with the document entitled “Advancing official statistics for the 2030 Agenda for Sustainable Development: a collective vision and framework for action by the Asia-Pacific statistical community” and the Declaration on Navigating Policy with Data to Leave No One Behind

First of all, I would like to convey our congratulations to you Mr. Chair, and would like to express that it is a great honor for the National Statistics Office of Mongolia to be a member of the Bureau of the Committee of Statistics for Asia and Pacific from 2020-2022 and looking forward to cooperate with you and provide our best efforts to achieve goals and targets set for us.

Regarding the report pleased to that, the ESCAP secretariat will be mobilizing resources to support countries to address the strengthening of legislative provisions and institutional mechanisms to enable national statistical systems to take advantage of new data, data-sharing and innovative technologies and advocacy for the expanded use of official statistics for evidence based policymaking and transparent governance. As member of PARIS21, NSO Mongolia will available to collaborate on future activities.

Thank you Mr. Chair
