Assessment.

It is a great honour for me to speak in this August forum on the importance of endorsing the Regional Strategy for Population and Social Statistics.

- ① Have the capability to produce. Domain spell out that it's mandatory to produce.
- ② It focuses on statistical themes rather than indicators - provides flexibility to produce based on countries' priorities.
- ③ Provides a venue for south-south cooperation, puts everyone on the same page - 11 Domains.
- ④ Reference for Training Institutes as well as Development partners.
- ⑤ Take everyone along - especially countries.
