

United Nations Conference Centre, Bangkok

Sri Lanka - Mrs Indu Bandana

Proposal (3) Modernization of Statistical
Production & Services.

- Use of modern technology for data
collection such as CAPI (Computer
assisted Personal Interviews) planning
to use in next Sri Lanka DHS
Survey.

(For this need special training on
how to use this new technology)

Statistics Department in Sri Lanka
functioned under normal Government
Regulations which have to follow
time consuming procedures

If possible Bureau could be contribute
to reduce the problems in statistical
institutions by advocacy programs
(eg - Transform Department to have
more power and independence
(Like Bureau) is more appreciated.
