

Timor-Leste (5b)

Madam Chair

Timor Leste welcoming the report of the activities of the partnership for statistics development in Asia Pacific.

Madam Chair , allowed me for share our experience on the partnership Timor Leste doing with other development partner In Timor Leste , the development partners such UNFPA ,UNICEF, UN-Women, Australia Bureau Statistics we are working is under Government policy especially promotion ownership and accountably for each dollar spending in TL for make sure value of money for development statistics system

I used this opportunity to thanks UNFPA for continue support Statistics Timor Leste on implementation Census population and housing since 2004 up to now, I also like thanks UNSIAP for facilities South-South cooperation in building statistics capability and capacity with running in country training in Timor Leste , I also like Thanks Australia Bureau statistics for support Timor Leste on Program capacity building and capability on Economy indicator , last no list I like to thank Badan Pusat Statistik (BPS) for provide formal training trough STIS (Sekolah Tinggi Ilmu Statistik) , this year Timor Leste gated 15 youth graduated from STIS.

I thank you chair
